

Adjunct Faculty – Medical Assisting Program

Description:

The Medical Assisting program at National American University is seeking applicants for adjunct faculty positions at its Independence campus.

There are immediate opportunities for the upcoming Fall Term (September 5 – November 18) at the Independence Campus to teach Introduction to Medical Assisting. All classes meet one evening a week for two hours during the 11 week term.

Requirements:

The ideal candidate will have a BSN and least two year's experience in the related subject area. RMA or CMA with a Bachelor's degree is preferred. Previous teaching experience is a plus. All qualified candidates should send a university application (www.national.edu), cover letter and resume by fax or email to:

Jennifer Duffey, RMA
Medical Assistant Program Director
