## **POSITION AVAILABLE OVERLAND PARK CAMPUS**

10310 Mastin, Overland Park, KS 66212-5451

If you can bring energy into the classroom and find new and interesting ways to teach to a variety of learning styles, we are looking for you. We are looking for an anatomy and physiology instructor with at least 18 credit hours at the master's level to teach a Saturday class. Must have at least one year teaching experience at either a public or private school. Experience teaching nontraditional students a big plus.

Master's degree required from an accredited university.
