ADD NOTES AS NECESSARY

* Completion of all other Major and Support core courses and EC2050 and EC2100 required.

** Consists of professional pilot training or another approved aviation sub-specialty. (If less than 51 credits are awarded for specialty core courses, open elective or dual-credit courses may be taken to make up the difference.)

Dual Credit (DC) courses: Students who have a 2.75 CGPA or applicable transfer credit may enroll in dual credit courses that count for both undergraduate and graduate degree completion. Transfer credit may replace major core, support core, or open elective 6000DC+ and 3000+ courses. Maximum of three DC courses allowed. DC courses do not transfer into any accelerated graduate programs.
