Note: Previous student Direct Loan borrowers regardless of which prior school(s) attended DO NOT need to complete Step 4. However, if you are a new student to NAU and your name has changed since you last borrowed a federal student loan, you will need to complete a new Master Promissory Note.

4 COMPLETE THE FEDERAL DIRECT LOAN PROCESS

All students need to complete the **Federal Direct Loan** process if you plan to apply for federal financial aid.

DIRECT STAFFORD LOAN MASTER PROMISSORY NOTE

The Subsidized/Unsubsidized Master Promissory Note (MPN) is a legal document in which you promise to repay your federal student loan(s) and any accrued interest and fees to your federal student loan servicer. There is one MPN for Direct Subsidized/Unsubsidized Loans. Most schools are authorized to make multiple federal student loans under one MPN for up to 10 years.

You will need to access [studentlaid.gov](#) to complete the Direct Stafford Loan Master Promissory Note.

Regardless of which NAU location you are attending, be sure to choose the "School State" as South Dakota and the "School Name" as National American University (no city listed). This should bring up NAU with a Rapid City, SD address.

1. Click on **Log In** and enter your FSA ID and password.
2. Verify your personal information.
3. Choose: **Loans and Grants at the top and then Master Promissory Note (MPN)**

DIRECT STAFFORD LOAN ENTRANCE COUNSELING

If you have not previously received a Direct Loan or Federal Family Education Loan (FFEL), the federal government requires you to complete entrance counseling to ensure that you understand the responsibilities and obligations you are assuming.

If you are completing entrance counseling to borrow a federal student loan as an undergraduate student, then the entrance counseling will fulfill counseling requirements for Direct Subsidized Loans and Direct Unsubsidized Loans.

You will need to access [studentaid.gov](#) for Direct Stafford Loan Entrance Counseling.
