Total	$2,189	$2,189

* Misc. Fee(s) may include a Matriculation Fee and/or Speciality Course Fee(s)

** Students may request a Professional Judgement (PJ) review to have additional components added to their COA. All PJ requests will be reviewed but not all PJ requests must be approved. If approved, the students' financial aid budget will be adjusted to include the additional COA component and any packaged financial aid will be adjusted accordingly. Addt'l Allowances may include:

Dependent Care Expenses: Approved PJ will determine amount to be included in budget, on a case-by-case basis.

Disability-related Expenses: Approved PJ will determine amount to be included in budget, on a case-by-case basis.

Computer Allowance: Student must submit documentation of rental or purchase of a personal computer. The personal computer allowance is included in the first BBAY of the current Award Year. Students may request an additional computer allowance every two years from the date of the original proof of purchase. The computer allowance will be included at the total purchase price of the computer or calculated rental cost (at the number of months in the payment period) or up to $1000.00 maximum.

*** Federal Student Loan Fee(s) vary and are calculated at the time of packaging aid.

MASTERS

Masters budgets are represented at GENERAL tuition at 9 credit hours per term. The majority of NAU Masters students attend at full time enrollment.
